## ***Explanation of CEUs***

You are able to obtain the 15 CEUs you would have received for attending the national conference in Orlando. To earn these CEUs, you must complete any 5 of the available quizzes which accompany each presentation. You do not need to report when you complete the 5 quizzes, we will be alerted when they are completed and we will award the 15 CEUs to your account. These short 5-question multiple choice quizzes are not difficult. They are simply a way to ensure that at least 5 of the available presentations have been viewed. This requirement is in keeping with those set forth by the CSCCa Education Board to ensure compliance with NCCA guidelines for maintaining NCCA accreditation. Anyone who watches the presentations will be able to successfully complete the quizzes.

## ***Live Q/A with Presenters***

Some of the speakers will be offering a live question and answer session at a later date through a Zoom meeting. A link to the meeting, as well as the date and time, will be provided on their presentation page.

## **2020 CSCCa Annual Female Strength Coaches Breakfast**

Great news! The CSCCa Female Strength Coaches' Breakfast will still be taking place. Please be aware that it is NOT part of the 2020 Virtual CSCCa National Conference. Consequently, there is no registration fee and CEUs earned are in addition to those offered through the 2020 Virtual CSCCa National Conference.

This event is one of the most anticipated of the year, and although we cannot be together in the same physical location, we will still be seeing one another face to face to catch up and enjoy some long overdue fellowship.

The breakfast will be taking place via Zoom on **Friday, May 8, 2020, at 8:00 am PT/9:00 am MT/10:00 am CT/11:00 am ET.**

The breakfast will be first come first serve, as room size may be limited.

The Zoom meeting will open 15 minutes prior to the event's official start.

We'll see you there!

### **Explanation of CEUs**

Attendees will be required to participate in a short quiz at the end of the webinar in order to receive CEUs. You are eligible to receive 1.75 CSCCa CEUs for participating in this event. Additional information regarding how to go about receiving these CEUs will be provided to participants.
